

Greenwood Marching Woodmen and Irish Guard

The tradition marches on...

2016-17 season

As always, we are all as staff so thankful for the wonderful families we have the fortune of serving here at Greenwood. With an extremely busy 2016-2017 and the anticipation of 2017-2018 we consider ourselves so blessed to be able to work alongside all of you to great meaningful educational and performance experiences. The new year will bring many new challenges, opportunities and awesome performances. We are very excited to get started!
