## ETIQUETTE FOR AUDIENCES

1. **DO NOT** talk during a performance. It is important to be courteous to other members of the audience and visiting bands.
2. **DO NOT** leave or enter the stands while a band is performing.
3. Silence all electronics or turn them off entirely – please return calls between performances only.
4. Children and babies who are not able to sit quietly for 8 to 10 minutes during a performance should not be in the stands.
5. **APPLAUD FOR EVERY BAND** when it enters and exits the field. It is appropriate to applaud after each number.  
Be polite and recognize the performers for their efforts. Every band deserves respect for the hard work they do!
6. Watch all of the bands – or at least as many as possible. You will want everyone to see your band’s performance; therefore, please return the favor.
7. Following the competition, please take your program with you. Also dispose of any personal trash in a nearby trash can.  
We appreciate your helping to keep our stands clean.

**Thank You!**

615 West Smith Valley Road • Greenwood, IN 46142 • (317) 889-4000

Dear Concert Patron,

Welcome to Greenwood Community High School. We hope you enjoy today's event. On behalf of Greenwood High School students and staff we are glad you're here and take great pride in our music program. Their commitment and work ethic makes our music program a model for other schools in Indiana.

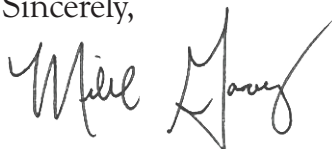

The success of our music program is founded in its strong educational goals, commitment to leadership, and the belief that all students can be successful. Your support, as demonstrated by your attendance, is a key part of developing a sense of pride among our students.

If you see one of our volunteers, please thank them for their servant leadership dedicating their personal time which contributes to the success of our music programs. Without your hard work, our students would not achieve the levels of success to which we have become accustomed.

Thank you for your continued support of the Greenwood High School Music Program.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Gasaway". The signature is fluid and cursive.

# Greenwood's Rainbow Tradition

Greenwood's 2022 show contains two selections from "The Wizard of Oz." Greenwood's association with Oz and "Over the Rainbow" dates back *nearly 50 years!*

## It all started in 1973.

New band director Herman Knoll came to Greenwood from Martinsville High School and he already had his first marching show planned. Knoll was, and is, a Drum Corps fan. One of his favorites, the Cavaliers, had used "Over the Rainbow" as their corps song for many years. The Madison Scouts had also recently performed a show composed of Oz tunes. So, fully inspired, Knoll planned an Oz themed program for Greenwood's 1973 track show at the Indiana State Fair Band Day competition.

The two-part State Fair competition consisted of a preliminary round in the morning and a finals round that evening. The top 16 groups, the "Sweet 16", made up the finals competition. In 1973, Knoll's "Oz" show put Greenwood in the top 10 for the first time. "Over the Rainbow" became a signature tune for Greenwood and propelled them to 6th place in 1974 and 5th place in 1975. Also in 1975, Greenwood won 1st place at the prestigious Blue and Gold competition at Morehead State University in Kentucky. The excitement and momentum was building with each new accomplishment.

Suddenly, Herman Knoll announced that he was leaving. He had accepted a director position at his alma mater, Indiana State University. The announcement came in July with Knoll promising to stay with the Greenwood band through their 1976 State Fair show in August, but that would be his last Greenwood competition. Any sadness the students felt over the departure of Mr. Knoll was quickly turned into a desire to give him a win. Their program included "Over the Rainbow" in the mix and it easily won them a spot in the "Sweet 16." The students really pushed themselves in the evening finals and they won the day as Greenwood was named State Fair Grand Champion! Director Knoll had ignited the Greenwood music program by showing what could be achieved through diligence, determination and hard work. And, a tradition was born.

*Herman and Sandy Knoll pose with the 1976 State Fair Grand Champion trophy*

*1976 State Fair Grand Champion trophy*

Four years later, assistant director Mike Sweeney decided to compose a warm-up tune for the band. His decision to build the tune around "Over the Rainbow" was a welcome tribute to Herman Knoll and the band's accomplishments. Now, the warm-up itself has become a tradition. But, it's a tradition that must be earned every season. The band only plays the "Woodmen Warm-up" when the director feels the show and players are ready for ISSMA competition. That level of readiness varies from year to year.

And the tradition continues. To celebrate the 30th Anniversary of the 1976 win, the Marching Woodmen presented "The Rainbow Revisited" as their 2006 ISSMA show. It too carried them to victory. So, when Greenwood fans post rainbow photos on Facebook, smile at any mention of "The Wizard of Oz" or tear up during the "Woodmen Warm-up", ...**TRADITION!**
