If you are looking for a way of paying your **Marching Band Fees, Winter Guard or Percussion Fees or the California trip?** Look no further!

All of the money raised at the Indianapolis Motor Speedway goes directly into your student's band account. Students take ownership of raising money for their band fees by working side-by-side with an adult.

Take advantage of this opportunity and sign up to work.

All times are approximate

Workers may be released early.

NOTE: Students under the age of 18 must have a waiver on file with IMS and work with an adult.
